

Emergency Petition to the U.S. Senate:
“NO MORE GUN CONTROL CAMPAIGN”

By a supporter of the National Association for Gun Rights.

WHEREAS: The Second Amendment to the Constitution of the United States, which provides that the right of the people to keep and bear arms shall not be infringed, must be protected by every Member of Congress.

WHEREAS: Sarah Brady and the Gun Control Lobby are already bragging how they are going to work with their allies in Congress to put the right to keep and bear arms on the congressional chopping block.

WHEREAS: Sarah Brady and the rabid gun-grabbers are planning to ban private gun sales, exterminate gun stores, renew the Clinton Gun Ban, enact gun rationing, ban other self-defense guns, expand no-safety zones, make concealed carry permits useless and otherwise infringe on the Gun Rights of Americans.

THEREFORE: Let every U.S. Senator know I’m opposed to such efforts to undermine my right to keep and bear arms and I demand Congress pass “NO MORE GUN CONTROL.”
