

# National Association for Gun Rights Letter of Intent

Accepting NO COMPROMISE on the issue of gun control, National Association for Gun Rights works tirelessly to hold politicians accountable for their anti-gun views and has made great strides in protecting and preserving the Second Amendment. But our effectiveness in the battle against the gun grabbers depends entirely on the support of gun rights supporters like you.

### How can you ensure the National Association for Gun Rights will have the resources needed to protect the Second Amendment for the next generation?

You know as well as anyone that the Second Amendment protects all the rest of our constitutionally protected rights. Your legacy is a gift to ensure National Association for Gun Rights can continue taking on ANY battle to defend gun rights at a moment's notice long after you're gone. That way, your children and grandchildren may receive the same blessings of freedom and liberty you enjoyed... as guaranteed by the Second Amendment!

**Thank you for informing us of your intention** to include National Association for Gun Rights in your will or estate plan, or as a charitable beneficiary of your retirement plan, life insurance or other assets. This letter of intent will help us best honor your wishes while also allowing us to plan our efforts accordingly.
